Associate of Arts Degree requires completion of a total of 60 semester credits numbered 1000 and above; minimum of 40 general education credits completing the Minnesota Transfer Curriculum; cumulative GPA of 2.0 or higher

Developmental courses may be required depending on educational background and/or assessment scores. Developmental courses do not fulfill graduation requirements and are required as prerequisites for some courses. The requirements of this program are subject to change without notice.

<sup>a</sup> Students transferring in 15 college credits from any accredited college who have successfully completed each of these courses with a C or better within three years would not be required to take the FYEX course. Students transferring in a one-credit first year experience course would not be required to take our course and be able to address missing credit due to the way we set up our program plan (3-5 credits in the required course credits section).
