

Pine Technical College
Student Evaluation of Faculty and Instruction
Semester/Year: _____

Course No./Section: _____ Instructor: _____ Date: _____

Instructions:

- Please respond to each question as it relates to YOUR instructional experience in this course.
- Your response will be held confidential – only collective results will be provided to the instructor after final grades have been determined.
- Your response will be used by your instructor, program and the college to improve this and other courses.

Rating: 5= Strongly Agree 4 = Agree 3 = Neutral 2 = Disagree 1 = Strongly Disagree

	5	4	3	2	1
I. Course					
1. Course Material, activities and requirements are consistent with course syllabus.					
2. Textbook is beneficial for the course.					
3. Laboratory and/or classroom facilities are adequate.					
4. Specifically, laboratory activities and projects are consistent with the course outline.					
5. Knowledge and skills gained in the course are appropriate and useful to my program and career goals.					
6. My overall experience of this course is positive.					
II. Instructor					
7. Instructor provided syllabus and explained course expectations and requirements at first class meeting.					
8. Instructor is well prepared for the class.					
9. Instructor seems to be well-versed in the subject matter.					
10. Instructor presents materials in an organized manner.					
11. Instructor's expectations (homework, labs, tests...etc.) are consistent with course syllabus.					
12. Instructor responds to student questions effectively and clearly.					
13. Instructor often brings practical examples to the class and lab.					
14. Quality of handouts, visual and other materials is high.					
15. My overall experience with this instructor is positive.					
III. Testing and Grading					
16. Test/quizzes/exams are consistent with subject matter and course syllabus.					
17. Level of relevancy and difficulty of assignments and test is appropriate for this course.					
18. I always receive prompt and clear feedback from the instructor regarding tests, projects, written and oral assignments.					
19. I feel grading procedures used in this course are fair and impartial.					
IV. Comments regarding general college services
