**Report Introduction**

Pine Technical and Community College (PTCC) is committed to the safety and well-being of students, faculty, staff, and visitors to our college. The information provided within the PTCC Compliance and Security report is distributed annually in compliance with several federal and state laws, including the Clery Act, Drug-Free Schools and Community Act, Violence Against Women Reauthorization Act, and more. This document is available for review by prospective students, current students, faculty and staff on the PTCC Public Information webpage [http://pine.edu/about/public-information/](http://pine.edu/about/public-information/). The document is also available in print format in the PTCC Student Affairs Office and will be made available in an alternative format upon request. All students and staff are encouraged to read the Compliance and Security Report and to visit PTCC’s Campus Catalog for additional information on policies, programs, and services offered at PTCC.

In 1990, Congress enacted the *Crime Awareness and Campus Security Act of 1990* (Title II of Public Law 101-542), which amended the *Higher Education Act of 1965 (HEA)*. This act required all postsecondary institutions participating in HEA’s Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, 2000 and 2008. The 1998 amendments renamed the law the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* in memory of a student who was slain in her dorm room in 1986. It is generally referred to as the *Clery Act* and is in section 485(f) of the HEA.

On March 7, 2013, the *Violence Against Women Reauthorization Act of 2013 (VAWA)* (Public Law 113-14) was signed into law. VAWA includes amendments to the Clery Act. These changes require institutions to disclose statistics, policies and programs related to dating violence, domestic violence, sexual assault and stalking, among other changes.

PTCC encourages all students and staff to be fully aware of safety issues and to take steps to prevent and to promptly report any inappropriate or illegal activities to campus officials and local law enforcement agencies. Personal awareness and applying personal safety practices are the foundation of a safe community. In the event of a life threatening emergency situations, students, staff, and faculty should contact 911, and then notify the Director of Student Affairs or other campus officials.

PTCC does not have a dedicated security department but works closely with the Pine County Sheriff’s Department for immediate response and investigation to all crimes, emergencies, or requests for service generated by the campus. PTCC recognizes the Director of Student Affairs as the primary Clery Compliance Officer for compiling this report and annual crime statistics. Statistics are collected using incident reports and from other reporting authorities including, but not limited to, local law enforcement agencies and officials of PTCC who have significant responsibility for student and campus activities. These college officials, known as Campus Security Authorities, are listed later in this report.

PTCC publishes the Annual Security Report each year by October 1. The report is distributed to all potential students on the college application form and prospective employees on the job announcement via direct link to the report. All current students, faculty and staff are sent an email that briefly describes the report and also contains the exact Internet address where it can be found. [http://www.pine.edu/about/public-information-and-policies/clery-act-and-campus-security](http://www.pine.edu/about/public-information-and-policies/clery-act-and-campus-security)
Printed copies of the report are available, at no cost, upon request from Student Affairs and the Human Resources Office.

PTCC urges all campus entities that are excluded from mandatory reporting, such as professional mental health counselors and pastoral counselors, to advise clients who are victims of crime to report those incidents to campus or local law enforcement authorities, and to report confidential information used strictly for statistical purposes to the Director of Student Affairs.

The PTCC Director of Student Affairs compiles all required information and statistics for this report. Statistics are collected using incident reports and from other reporting authorities including, but not limited to, local law enforcement agencies and officials of PTCC who have significant responsibility for student and campus activities. These college/university officials, known as Campus Security Authorities, include individuals in departments such as:

Geography

Pursuant to the Act, the Director of Student Affairs monitors criminal activity and publishes this report containing a three-year statistical history of select crimes or incidents that occur. The statistics are gathered from four specific geographic areas; 1) campus, 2) residence halls (subset of campus if applicable), 3) non-campus property or institution sanctioned buildings or property and 4) public property that is adjacent to campus, and are submitted on an annual basis to the U.S. Department of Education.

The following definitions are taken from the Higher Education Act of 1965, 485(f) (20 U.S.C. 1092(f)), the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act”, and are used to classify the locations listed in the PTCC Crime Statistics.

Campus: The term “campus” means 1) any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and 2) property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students, and supports institutional purposes (such as a food or other retail vendor).

Campus property includes:
- PTCC Campus Building
- PTCC Innovation Center
- Employment and Training Center Building

The above image displays both PTCC’s campus location and public properties.
Residential Facilities: Pine Technical and Community College doesn’t have any residence facilities.

Non-Campus Building or Property: The term “non-campus building or property” means 1) any building or property owned or controlled by an institution; and 2) any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution’s educational purposes, is used by students, and is not within the same reasonably contiguous geographic area of the institution. PTCC doesn’t have any recognized student organizations with off-campus locations.

Non-campus property includes:
PTCC Employment and Training Centers
Cambridge Location:
140 Buchanan St N - Suite 152
Cambridge, MN 55008

Milaca Location
155 2nd Ave SW - Suite 102
Milaca, MN 56353

North Branch Location
6241 Main St - Suite 102
North Branch, MN 55056

Kanabec County Telework Center
16 North Lake Street
Mora, MN 55051

Public Property: The term “public property” means all public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to the institution’s educational purposes. PTCC’s public property includes adjacent streets, parking lots, and sidewalks. The public property is outlined in the picture above in orange.

### Hate Crime:
PTCC had zero reports of Hate Crimes during the last three years for any of the above listed crimes. In addition there were zero reported crimes in the areas of larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property.

### Emergency Response and Timely Warning

PTCC is required by policy and fire code to have evacuation and emergency operations plans in place. Evacuation plans and emergency procedures can be found in each classroom. PTCC also has a current Emergency Operations Plan based on the all-hazards concept, incorporating the National Incident Management System and coordinated with the system office and local emergency response agencies. This plan is used to respond to any level of emergency impacting PTCC and outlines the responsibilities and actions necessary to protect life, property and the environment. Some of the processes and procedures are included in this report.

**Emergency Response:** PTCC will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students, faculty or staff occurring on campus. (Minnesota State) has numerous systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat. These methods of communication include but are not limited to:

- **Active messaging:** PTCC has the ability to address the campus through a public address system that covers all interior campus offices, classrooms and public spaces.

- **Passive messaging:** PTCC will provide emergency information via the main web page. The administration will use campus wide mass email and any other available media such as signs, reader boards and internal closed circuit televisions to disseminate emergency notifications to students, faculty and staff. Twitter and Facebook social media will also be used to disseminate emergency notification either individually or through the Star Alert system.

- **Individual messaging:** PTCC utilizes an emergency notification system branded Star Alert, provided by Blackboard Connect, which disseminates emergency notification through SMS text, direct phone calls and email, at the selection of the recipient. Individuals opt into the system to approve being sent messages.
Students are made aware of and encouraged to opt into the Star Alert System during orientation. In addition, students, faculty, and staff are sent emails encouraging them to opt into Star Alert multiple times during the year. Students, faculty, and staff can opt into Star Alert via the following website: [http://www.pine.edu/StarAlert](http://www.pine.edu/StarAlert)

Students, faculty and staff have the option of permanently opting out of Star Alert should they choose. For additional information on access, issues concerning individual accounts or other questions contact: PINE-Helpdesk Helpdesk@pine.edu

PTCC, upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or employees occurring on campus:

1. A PTCC official will verify that a legitimate emergency or dangerous situation exists, even if all of the pertinent details are not known or are available at the time.
2. PTCC officials, in coordination with and at the advice of local first responders, will determine the appropriate segment(s) of the campus community to receive notification.
3. PTCC will, without delay, and taking into account the safety of the community, determine the content of the notification, unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The following persons or organization(s) are responsible for emergency notification and timely warning dissemination:

**PTCC Crisis Team Designation and Responsibilities**

**Policy:** In the event of an emergency situation that affects the health and safety of students, clients, employees, and campus resources, the Crisis Team will act according to the institution’s established policies and plans.

**Procedure:**
The Crisis Team will be composed of:
- President
- Chief Academic Affairs Officer
- Vice President of Academic and Student Affairs
- Dean of Continuing Education and Customized Training
- Chief Financial Officer / Chief Information Officer
- Physical Plant Supervisor
- Chief Human Resource Officer

**Responsibilities:** In addition to emergency and timely warnings, the Crisis Team will carry out the following policies and plans:
- 103 Weather/Emergency Closing/Delays/Cancellations
- 109 Fire/Tornado Drill
- 110 Bomb Threat
- 119 Campus Lockdown
- All Hazards Plan
Emergency Preparedness Plan
The above policies and plans can be found in Appendix 2

PTCC after ensuring that local first responders are notified, will activate the active messaging system to provide emergency notification to the campus community. An immediate Star Alert containing pertinent emergency notification and information will be disseminated. Other passive and individual messaging will provide redundant and detailed emergency information as soon as reasonably possible. PTCC will provide follow-up information to the community as needed.

PTCC will test the emergency response and evacuation procedures annually in accordance with this policy and applicable state and federal regulations. Tests may be announced or unannounced and emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Results of each test will be documented and include a description of the exercise, the date, time, and whether it was announced or unannounced. This information will be maintained by the Physical Plant Supervisor. Records for all Clery related requirements are maintained for seven years and available upon request.

Timely Warning: PTCC will issue a timely warning for all Clery Act crimes reported to Campus Security Authorities or local police agencies and considered by PTCC officials to represent a serious or continuing threat to students, faculty and staff. Timely warning will not be limited to violent crimes or crimes against persons, and may include crimes against property or other types of serious or continuing threats. Timely Warning Notices will withhold the name of victims as confidential.

Issuance of a Timely Warning is determined on a case-by-case basis. Factors included are the nature of the crime or threat, the continuing danger to the campus community and the possible risk of compromising law enforcement efforts. PTCC will consult with local law enforcement and other officials when determining the need and content of any Timely Warning.

The intent of a Timely Warning is to enable the campus community to protect themselves and will include all information that would promote safety and aid in the prevention of similar crimes or protection from specific threats. Timely Warnings will be disseminated using the Star Alert text and email features, campus email system, or any other passive or individual method of notification to students, faculty and staff.

Campus Security Policies

Any PTCC student, faculty or staff member should call 9-911 from campus phone or 911 from a cell phone to report an emergency situation or crime.

Crimes can also be reported directly to:
- Director of Student Affairs – Shawn Reynolds, 320.629.5161
- Director of Student Success – Kierstan Peck, 320.629.5180
- Chief Human Resources Officer – Amy Kruse, 320.629.5129
- Vice President of Academic and Student Affairs - Denine Rood 320.629.5126
Please notify those listed above anytime 911 services are requested (fire, law enforcement, medical) on campus.

All criminal activity occurring on campus should be reported immediately to one of the individuals listed above. If you cannot reach one of the above, please call 320.629.5133 or visit the Student Affairs Office. If the victim chooses, an additional report can be filed with the appropriate local law enforcement agency. PTCC Director of Student Affairs or others listed above can assist the complainant in completing reports. Internal reports may be shared with other departments on campus as necessary to complete an investigation and/or to ensure the safety of the campus community. The individuals listed above will assist Police Department(s) with investigations as required. Depending on many factors PTCC may or may not hold reports of crime in confidence and may be required by law to release information based on the events or nature of the crime. Whenever possible PTCC will attempt to protect the identity of crime victims.

In addition, crimes can be reported to any of the Campus Security Authority below:

Confidential Reporting

PTCC offers a silent witness program called Campus Eye on the safety/security page for victims and/or witnesses to report crimes on a voluntary, confidential basis for inclusion in the annual security report.

http://www.pine.edu/about/public-information-and-policies/sexual-violence

PTCC officials will share information as necessary to appropriately address a situation, but will make efforts to maintain confidentiality. **Absolute confidentiality of reports made to PTCC officials cannot be promised.**

PTCC is not required to report statistics for crimes reported to a pastoral or professional counselor. Pastoral and professional counselors, if and when they deem appropriate, are encouraged to inform the persons they are counseling, of any procedures to report crimes on a voluntary, confidential basis for including in the annual disclosure of crime statistics.

PTCC security personnel and officials ARE NOT certified or sworn peace officers and do not possess law enforcement (arrest) authority. PTCC personnel may utilize private person arrest authority pursuant to Minnesota State Statute 629.37 when appropriate.

PTCC works closely with the Pine County Sheriff’s Department, State Patrol, Bureau of Criminal Apprehension, and other state and federal law enforcement agencies as required. PTCC has a memorandum of understanding with Pine County’s Sheriff Department to assist in instances of sexual violence.

PTCC, in partnership with these agencies, monitors and records criminal activity and violations of student conduct by students at non-campus.

PTCC encourages students, faculty and staff to accurately and promptly report all crimes to one of the above listed agencies and offices when the victim of a crime elects to, or is unable to make, such a report.

PTCC continuously reviews the physical security infrastructure to ensure appropriate steps are taken to maintain and enhance the safety and security of the campus. Landscaping and lighting are checked by maintenance staff and discrepancies are either addressed immediately or brought to the attention of the safety committee. The campus works closely and routinely with the system Emergency Preparedness and Security Specialist and the Facilities department to evaluate campus physical security and vulnerability, programming resources to address any potential threats, vulnerabilities or contingencies.
The campus is open during the following hours:
Example:
Mon – Fri 6:30AM to 9:30PM
Saturday: 8:00AM to 1:00PM

Campus facilities, offices, classrooms and other spaces use a combination of keyed and keyless entry, issued to only authorized personnel. Typically, maintenance opens and/or grants access, and secures all facility access points after hours.

PTCC provides the following programs at the frequency noted, to inform students, faculty and staff about campus security procedures and practices:

PTCC encourages students, faculty and staff to be responsible for their own security and the security of others by following the tips provided:

**Protect your room or apartment:**
- Lock your door – even if you are only going out for a short time. It only takes 8 seconds to walk into an open room and steal your valuables.

Sexual Assault and Related Offenses

PTCC does not discriminate on the basis of sex in its educational programs and sexual harassment and sexual violence are types of sex discrimination. Sexual violence includes a continuum of conduct that includes sexual assault, non-forcible sex acts, dating and relations violence, stalking, as well as aiding acts of sexual violence. Sexual assault and related offenses are governed and adjudicated under Minnesota State Board Policy 1B.3 Sexual Violence Policy, the Violence Against Women Act as amended and the Clery Act as amended. As a result, PTCC issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence, and stalking, whether the incident occurs on or off campus and when it is reported to a PTCC official. In this context, PTCC prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms
its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the university community.

For a complete copy of Minnesota State Board Policy 1B.3 Sexual Violence Policy, visit http://www.minnstate.edu/board/policy/1b03.html. For a complete copy of PTCC’s policy governing sexual misconduct, visit http://www.pine.edu/about/public-information-and-policies/sexual-violence.

Definitions: The following definitions apply:

Affirmative Consent: Consent is informed, freely given, and mutually understood willingness to participate in sexual activity that is expressed by clear, unambiguous, and affirmative words or actions. It is the responsibility of the person who wants to engage in sexual activity to ensure that the other person has consented to engage in the sexual activity. Consent must be present throughout the entire sexual activity and can be revoked at any time. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. A lack of protest, absence of resistance, or silence alone does not constitute consent, and past consent to sexual activities does not imply ongoing future consent. The existence of a dating relationship between the people involved or the existence of a past sexual relationship does not prove the presence of, or otherwise provide the basis for, an assumption of consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

Sexual Assault: an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI’s Uniform Crime Reporting system. A sex offense is any act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. An actual, attempted, or threatened sexual act with another person that a person’s consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under Minnesota State student conduct codes and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as "date rape" or "acquaintance rape." This definition also includes the coercing, forcing, or attempting to coerce or force sexual intercourse or a sexual act on another.
2. Involvement in any sexual act when the victim is unable to give consent.
3. Intentional and unwelcome touching, or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast).
4. Offensive sexual behavior that is directed at another such as indecent exposure or voyeurism.

Rape: is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
**Fondling:** is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

**Incest:** is defined as nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Statutory Rape:** is defined as nonforcible sexual intercourse with a person who is under the statutory age of consent.

**Domestic Violence:** The term “domestic violence” means felony or misdemeanor crimes of violence committed—

1. By a current or former spouse or intimate partner of the victim;
2. By a person with whom the victim shares a child in common;
3. By a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
4. By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
5. By any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

**Dating Violence:** The term “dating violence” means violence committed by a person—who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence. Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

**Stalking:** The term “stalking” means engaging in a course of conduct directed at a specific person that is unwanted, unwelcome, or un reciprocated; and that would cause a reasonable person to fear for the person’s safety or the safety of others; or suffer substantial emotional distress.

1. Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.

2. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

3. Reasonable persons means a reasonable person under similar circumstances and with similar identities to the victim.
Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Education and Resources Regarding Sexual Violence, Domestic Violence, Dating Violence, and Stalking

PTCC engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking. PTCC has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students and participating in and presenting information and materials during new employee orientation. Primary prevention and awareness programs are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome. Environmental risk and protective factors are considered as they occur on the individual, relationship, institutional, community and societal levels.

PTCC offers annual web-based sexual violence training called Personal Empowerment through Self Awareness (PETSA). The training is required of all faculty and staff on an annual basis. The training is broken into three different modules: What you should know, the culture of sexual violence, and Risk Reduction for everyone. The PETSA training covers key topics and promotes awareness surrounding dating violence, domestic violence, sexual assault, and stalking. The PETSA training also covers the critical topics of positive options for bystanders and reducing risk for everyone, both of which are expanded upon in the following sections. All incoming students are required to complete an online Sexual Violence Prevention Training. The online training is comprised of several videos addressing sexual violence, a brief quiz and tutorial on how to report.

Procedures for Reporting a Complaint: PTCC has procedures in place that serve to be sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, transportation and working accommodations, if reasonably available. PTCC will make such accommodations, if the complainant requests them and if they are reasonably available, regardless of whether the complainant chooses to report the crime to the PTCC Director of Student Affairs, Campus Security Authority or local law enforcement. Students and employees should contact the Director of Student Affairs at 320.629.5161.

After an incident of sexual assault or domestic violence, the victim should consider seeking medical attention as soon as possible at any of the surrounding hospitals and clinics.

In Minnesota, evidence may be collected even if you chose not to make a report to law enforcement. Evidence collected during a medical forensic exam will only be tested if a report is made to law enforcement. Under Minnesota law, the county in which the sexual assault or rape occurred is responsible for the cost of collecting evidence during your medical forensic examination. The county must pay regardless of whether or not you report to law enforcement. After your medical forensic examination has been
performed, the county may be reimbursed from your insurance with your permission. Counties must obtain your approval prior to billing your insurance. Whether or not the county uses your insurance is your choice. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to PTCC investigators or police. Although PTCC strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether or not to make such a report and victims have the right to decline involvement with the police. PTCC will assist any victim with notifying local police if they so desire. Pine County Sheriff’s Department may also be reached directly by calling 320.629.8380, in person at 635 Northridge Dr. NW Suite 100, Pine City, MN 55063.

Additional information about the Pine County Sheriff’s Department may be found online at:  
https://www.co.pine.mn.us/

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator,

Shawn Reynolds  
Director of Student Affairs  
shawn.reynolds@pine.edu  
320.629.5161.

by calling, writing, going online or coming into the office to report in person if the victim so desires. PTCC will provide resources, on campus, off campus or both, to include medical, health, to persons who have been victims of sexual assault, domestic violence, dating violence, or stalking, and will apply appropriate disciplinary procedures to those who violate this policy. The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with the PTCC Director of Student Affairs or other law enforcement to preserve evidence in the event that the victim changes her/his mind at a later date.

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the institution, below are the procedures that the institution will follow as well as a statement of the standard of evidence that will be used during any judicial hearing on campus arising from such a report:
PTCC Director of Student Affairs, when informed of an alleged incident of sexual violence, shall promptly assist the complainant, as requested. PTCC may:

1. Provide complainant with written information to access medical care, depending on when reported (immediate vs. delayed report).
2. Assess immediate safety needs of complainant.
3. Assist complainant with contacting local police if complainant requests and provide contact information for local police department.
4. Provide complainant with referrals to on and off campus mental health providers.
5. Assess need to implement interim or long-term protective measures, such as housing changes, change in class schedule, “No Contact” directive between both parties.
6. Provide a “No Trespass” directive to accused party if deemed appropriate.
7. Provide written instructions on how to apply for an Order of Protection.
8. Provide a copy of the Sexual Violence Policy to complainant and inform the complainant regarding timeframes for inquiry, investigation and resolution.
9. Inform the complainant of the outcome of the investigation, whether or not the accused will be administratively charged and what the outcome of the hearing is.
10. Enforce the anti-retaliation policy and take immediate and separate action against parties that retaliate against a person for complaining of sex-based discrimination or for assisting in the investigation.

When appropriate, PTCC may pursue legal action against a respondent, including, but not limited to, trespass or restraining orders, in addition to disciplinary action under the applicable student or employee conduct standard.

**Assistance for Victims - Rights and Options:** Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, PTCC will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options. In Minnesota, a victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

1. Be informed of prosecutor’s decision to decline prosecution or dismiss the case along with information about seeking a protective or harassment order at no fee.
2. Protection against employer retaliation for victims to take reasonable time off to attend order for protection or harassment restraining order proceedings.
3. Domestic abuse victims have the ability to terminate a lease without penalty.
4. Sexual assault victims can make a confidential request for HIV testing of a convicted offender.
5. Sexual assault victims do not have to pay the cost of a sexual assault examination.
6. Sexual assault victims may not be required to undergo a polygraph examination in order for an investigation or prosecution to proceed.

Further, PTCC complies with Minnesota law in recognizing Orders of Protection and Harassment Restraining Orders. Any person who obtains an order of protection from Minnesota or any reciprocal state (Under VAWA’s full faith and credit provision, every state must recognize and enforce protection orders issued in other states, as if issued in the enforcing state) should provide a copy to the PTCC Director of Student Affairs. A complainant may then meet with PTCC Director of Student Affairs to develop a plan, which is a plan for campus officials and the victim to reduce risk of harm while on campus or coming and going.
from campus. This plan may include, but in not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc.) PTCC cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s). The victim is required to apply directly for these services. Protection from abuse orders may be available through the local county court at no cost. PTCC may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. To the extent of the victim’s cooperation and consent, PTCC offices will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected, pending the outcome of a formal investigation of the complaint. The victim will be provided written notification about options for or available assistance in, and how to request changes to changes to academic, living, or working situations in addition to counseling, health services, visa and immigration assistance and assistance in notifying appropriate local law enforcement. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/ adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20).) Further, PTCC will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

**Bystanders:** Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some of the ways to be an active bystander. If you or someone else is in immediate danger, call 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are OK.
2. Confront people who seclude, hit on, and/or try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in the Annual Security Report or other resources for support in health, counseling, or with legal assistance.

**Reducing the Risk of Sexual Assault:** You can reduce the chances of sexual assault by doing the following:

1. Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to avoid isolated areas, it is more difficult to get help if no one is around.
3. Walk with purpose. Even if you don’t know where you are going, act like you do.
4. Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
5. Try not to load yourself down with packages or bags as this can appear more vulnerable.
6. Make sure your cell phone is with you and charged and that you have cab money.
7. Don’t allow yourself to be isolated with someone you don’t trust or someone you don’t know.
8. Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you find a way out of a bad situation.

10. Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (call 911)

11. Don’t leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you’ve left your drink unattended, just get a new one.

12. Don’t accept drinks from people you don’t know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don’t drink from the punch bowls or other large, common open containers.

13. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they have had, or is acting out of character, get him or her to a safe place immediately.

14. If you suspect you or a friend has been drugged, contact law enforcement immediately. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
   a. Remember that being in this situation is not your fault. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
   b. Be true to yourself. Don’t feel obligated to do anything you don’t want to do. “I don’t want to” is always a good enough reason. Do what feels right to you and what you are comfortable with.
   c. Have a code word with your friends or family so that if you don’t feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come and get you or make up an excuse for you to leave.
   d. Lie. If you don’t want to hurt the person’s feelings it is better to lie and make up a reason to leave that to stay and be uncomfortable, scared, or worse. Some excuses you could use are needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.

16. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

17. If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgement before doing anything you may regret later.

Complainants’ rights: are as follows:

1. Complainants have the right to file criminal charges with local law enforcement officials in any sexual assault case
2. They have all of the rights under the crime victims bill of rights, Minn. Stat. §§ 611A.01 – 611A.06, including the right to assistance from the Crime Victims Reparations Board and the commissioner of public safety
3. Complainants are afforded the availability of prompt assistance from campus officials, upon request, in notifying the appropriate campus investigating authorities and law enforcement officials, and, at the direction of law enforcement authorities, assistance in obtaining, securing, and maintaining evidence in connection with a sexual violence incident
4. Campus Security Authorities will assist in preserving for a sexual violence complainant materials relating to a campus disciplinary proceeding

5. Complaints of incidents of sexual violence made to campus security authorities must be promptly and appropriately investigated and resolved

6. Upon a sexual assault complainant’s request, PTCC will take action to prevent unwanted contact with the alleged assailant, including, but not limited to, transfer of the complainant and/or the respondent to alternative classes, or to a work site or to alternative college-owned housing, if such alternatives are available and feasible. Any accommodations or protective measures provided to the victim will be maintained in confidence, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

7. Upon the request of the complainant, students who report sexual assaults to (Minnesota State) and subsequently chose to transfer to another college or university will be provided with information about resources for victims of sexual assault at the college or university to which the complainant is transferring

Investigation and Disciplinary Procedures: Investigations and disciplinary procedures will be conducted by PTCC officials who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. PTCC officials who conduct investigations and disciplinary procedures will not have any bias or conflict of interest toward either the accuser or the accused.

Procedures used in response to a complaint of sexual violence complainants should avoid requiring complainants to follow any plan of action, to prevent the possibility of re-victimization. The process will be respectful of the needs and rights of individuals involved and they will be treated with dignity. It is never assumed or suggested that the complainant or victim was at fault for the sexual assault or should have behaved differently to prevent the assault. All proceedings will be acted on promptly and conducted within reasonable timeframes. The process will allow for extensions of those timeframes for good cause with written notice to the complainant and the respondent of the delay and the reason for the delay. The process will be consistent with these policies and transparent to the complainant and the respondent. Student complainants and respondents will have the same opportunity to have an appropriate support person or advisor present at any interview or hearing, in a manner consistent with the governing procedures and applicable data practices law. Employees have the right to representation consistent with the appropriate collective bargaining agreement or personnel plan. All procedures will be conducted in accordance with applicable due process standards and privacy laws. The complainant and respondent will simultaneously be inform, in writing, of the outcome in a timely manner, as permitted by applicable privacy law. Outcomes will be based on a preponderance of evidence standard, meaning that it is more likely than not that the policy, procedure, or code has been violated. The past sexual history of the complainant and respondent are deemed irrelevant except as that history may directly relate to the incident being considered. A respondent’s use of any drug, including alcohol, judged to be related to an offense may be considered to be an exacerbating rather than mitigating circumstance.

PTCC takes allegations of sexual violence very seriously and recognizes the consequences such allegations may have on a respondent as well as the complainant. Any individual who knowingly provides false information regarding the filing of a complaint or report of sexual violence, or who provides false information during the investigation of such a complaint or report, may be subject to
discipline or, under certain circumstances, legal action. Complaints of conduct that are found not to violate policy are not assumed to be false.

If a complainant no longer desires to pursue a complaint through PTCC proceeding, PTCC reserves the right to investigate and resolve the complaint as it deems appropriate. PTCC reserves discretion whether to pursue alleged violations of policy under appropriate circumstances, including, but not limited to, a determination that an effective investigation is not feasible because of the passage of time, or because the respondent is no longer a student or employee of PTCC.

Following the filing of an accusation against a student, the Director of Student Affairs or designee will conduct an investigation of the charges. If the accusation seems unwarranted, the Dean may dismiss the complaint and discontinue the process. If there is sufficient evidence to support the accusation, the Director shall offer the accused student an opportunity to resolve the violation at an informal meeting. Prior to this meeting, the student shall be given oral or written notice of the specific charges against him/her and of the evidence available to support the charge. If a mutually acceptable resolution cannot be reached during the informal meeting, including any applicable sanctions, the case shall be referred to a Judicial Committee for a formal hearing and adjudication process.

The College reserves the right to suspend and remove from campus without hearing any student that poses an immediate threat to the health or safety of persons on campus. Before implementing the summary suspension, the accused student shall be given oral or written notice of the intention to impose the summary suspension and shall be given an opportunity to present oral or written arguments against the imposition of the suspension. Notice of the intention to impose the summary suspension shall be provided in writing to the student. After the student has been summarily suspended, a properly constituted hearing on the matter will take place within nine (9) working days of the suspension. During the summary suspension, the student may not enter the campus without obtaining prior permission from the Dean.

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for the purposes of this paragraph.

**Sanctions:** PTCC may, at any time during the report/complaint process, reassign or place on administrative leave an employee alleged to have violated Board Policy 1B.3, in accordance with the procedures in System Procedure 1B.1.1. Such action must be consistent with the applicable collective bargaining agreement or personnel plan.

PTCC may summarily suspend or take other temporary measures against a student alleged to have committed a violation of Board Policy 1B.3, in accordance with System Procedure 1B.1.1 or Board Policy 3.6.

Sanctions that may be imposed if a finding is made that sexual violence has occurred include, but are not limited to, suspension, or expulsion of students, or termination from employment for employees. The appropriate sanction will be determined on a case-by-case basis, taking into account the severity of the conduct, the student or employee previous disciplinary history, and other factors as appropriate.
Witnesses or victims who report in good faith an incident of sexual violence will not be sanctioned by PTCC for admitting in the report to a violation of the student conduct policy on the use of alcohol or drugs.

Actions by a student or employee intended as retaliation, coercion, discrimination, reprisal, or intimidation against an individual for making a complaint or participating in any way in a report or investigation under this policy are prohibited and are subject to appropriate disciplinary action.

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, section 121 of the Adam Walsh Child Protection and Safety Act of 2006, and the Family Educational Rights and Privacy Act of 1974, the PTCC Director of Student Affairs is providing a link to the Minnesota Sex Offender Registry. This act requires institutions of higher education issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student.

The Minnesota Level 3 Sex Offender Registry is available via Internet at: https://dps.mn.gov/divisions/bca/bca-divisions/investigations/Pages/predatory-offender-registrations.aspx

Filing an Appeal: The complainant or the respondent may appeal the decision of the decision maker. An appeal must be filed in writing with the president or designee within ten (10) business days after notification of the decision. The appeal must state specific reasons why the complainant or respondent believes the decision was improper. In a complaint against a president or other official who reports directly to the chancellor, an appeal may be considered by the chancellor whether or not the chancellor served as the decision maker.

For employees represented by a collective bargaining agreement, an appeal under this procedure is separate and distinct from, and is not in any way related to, any contractual protections or procedures. During the pendency of the appeal disciplinary or corrective action taken as a result of the decision shall be enforced. In addition, in cases involving sanctions of suspension for ten (10) days or longer, students shall be informed of their right to a contested case hearing under Minnesota Statutes Chapter 14.

The president or designee shall review the record and determine whether to affirm or modify the decision. The president or designee may receive additional information if the president or designee believes such information would aid in the consideration of the appeal. The decision on appeal shall be made within a reasonable time and the complainant, respondent and designated officer shall be notified in writing of the decision, consistent with applicable state and federal data privacy laws. The decision on appeal exhausts the complainant’s and respondents administrative remedies under this procedure except as provided herein.

PTCC encourages and provides reasonable assistance to any student, faculty or staff member who seeks information on chemical dependency or treatment for chemical dependency. Various offices, including Counseling and Human Resources, provide information and referral to prevention programs for those seeking help with substance abuse.

Appendix 1
Terms and Definitions

**Aggravated Assault**
An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon (or displays weapon in a threatening manner) or by means likely to produce death or great bodily harm (e.g. victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness).

**Arson**
Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

**Burglary**
The unlawful entry of a structure with the intent to commit a felony or theft.

**Affirmative Consent**
Consent is informed, freely given, and mutually understood willingness to participate in sexual activity that is expressed by clear, unambiguous, and affirmative words or actions. It is the responsibility of the person who wants to engage in sexual activity to ensure that the other person has consented to engage in the sexual activity. Consent must be present throughout the entire sexual activity and can be revoked at any time. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. A lack of protest, absence of resistance, or silence alone does not constitute consent, and past consent to sexual activities does not imply ongoing future consent. The existence of a dating relationship between the people involved or the existence of a past sexual relationship does not prove the presence of, or otherwise provide the basis for, an assumption of consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

**Criminal Homicide – Negligent Manslaughter**
The killing of another person through gross negligence.

As a general rule, any death caused by the gross negligence of another is classified as Criminal Homicide—Manslaughter by Negligence (b).

** Dating and Relationship Violence**
Dating and relationship violence includes physical harm or abuse, and threats of physical harm or abuse, arising out of a personal intimate relationship. This violence also may be called domestic abuse or spousal/partner abuse and may be subject to criminal prosecution under Minnesota state law.

**Destruction/Damage/Vandalism of Property** - To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.
Drug law violations
Arrests or referrals for the violation of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs.

Intimidation - To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack. Note: This offense includes stalking.

Larceny-theft – The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another person.

Liquor law violations
Arrests or referrals for the violation of laws or ordinances prohibiting the manufacture, sale, transporting, furnishing, or possessing of intoxicating liquor.

Motor Vehicle Theft
The theft or attempted theft of a motor vehicle.

Note: A motor vehicle is a self-propelled vehicle that runs on the surface of land and not on rails and that fits one of the following property descriptions:

- **Automobiles** - sedans, coupes, station wagons, convertibles, taxicabs, or other similar motor vehicles that serve the primary purpose of transporting people
- **Buses** - motor vehicles that are specifically designed (but not necessarily used) to transport groups of people on a commercial basis
- **Recreational Vehicles** - motor vehicles that are specifically designed (but not necessarily used) to transport people and also provide them temporary lodging for recreational purposes
- **Trucks** - motor vehicles that are specifically designed (but not necessarily used) to transport cargo
- **Other Motor Vehicles** - any other motor vehicles, e.g., motorcycles, motor scooters, trail bikes, mopeds, snowmobiles, or golf carts.

Murder and Non-negligent Manslaughter
The willful (non-negligent) killing of one human being by another.

As a general rule, any death caused by injuries received in a fight, argument, quarrel, assault, or commission of a crime is classified as Murder and Non-negligent Manslaughter (1a).

Robbery
The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear that force will be used.

Robbery is a vicious type of theft in that it is committed in the presence of the victim. The victim, who usually is the owner or person having custody of the property, is directly confronted by the perpetrator and is threatened with force or is put in fear that force will be used. Robbery involves a theft or larceny but is aggravated by the element of force or threat of force.
Sexual Assault
“Sexual assault” means an actual, attempted, or threatened sexual act with another person without that person’s consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under student conduct codes and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as “date rape” or “acquaintance rape.” This definition also includes the coercing, forcing, or attempting to coerce or force sexual intercourse or a sexual act on another.

2. Involvement in any sexual act when the victim is unable to give consent.

3. The intentional touching or coercing, forcing, or attempting to coerce or force another to touch an unwilling person’s intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast).

4. Offensive sexual behavior that is directed at another such as indecent exposure or voyeurism.

Simple Assault - An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

Sex Offenses – Defined

Forcible Sex Offenses.
Any sexual act directed against another person, forcibly and/or against that person’s will or not forcibly or against the person’s will in instances where the victim is incapable of giving consent.

Reported offenses may include:

- **Forcible Rape** - The carnal knowledge of a person, forcibly and/or against that person’s will or not forcibly or against the person’s will in instances where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity (or because of his/her youth).

- **Forcible Sodomy** - Oral or anal sexual intercourse with another person, forcibly and/or against that person’s will or not forcibly or against the person’s will in instances where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

- **Sexual Assault with an Object** - To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person’s will or not forcibly or against the person’s will in instances where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.
Note: An object or instrument is anything used by the offender other than the offender’s genitalia. Examples include but are not limited to a finger, bottle, handgun, or a stick.

- **Forcible Fondling** - The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental incapacity.

  Note: Forcible Fondling includes Indecent Liberties and Child Molesting. Because Forcible Fondling is an element of Forcible Rape, Forcible Sodomy, and Sexual Assault with an Object, it should be reported only if it is the sole Forcible Sex Offense committed against a victim.

**Sex Offenses, Non-forcible.**

Unlawful, non-forcible sexual intercourse.

Reported offenses may include:

- **Incest** - non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

- **Statutory Rape** - non-forcible sexual intercourse with a person who is under the statutory age of consent.

  Note: If force was used or threatened, or if the victim was incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental incapacity, then the offense should be classified as forcible rape, not statutory rape.

**Sexual Violence**

Sexual violence includes a continuum of conduct that includes sexual assault, and non-forcible sex acts, dating and relationship violence, stalking, as well as aiding acts of sexual violence.

**Stalking**

Stalking is conduct directed at a specific person that is unwanted, unwelcome, or unreciprocated and that would cause a reasonable person to fear for her or his safety or the safety of others or to suffer substantial emotional distress.

**Weapons law violations**

Arrests or referrals for the violation of laws or ordinances dealing with weapon offenses.

Fire/Tornado Emergencies and Drills

Policy: Pine Technical and Community College will insure that all personnel are safe during emergency situations created by fires or tornados. An orderly process for addressing such emergencies will protect people in the building. To that end, Pine Technical and Community College will perform two (2) fire drills per year and one (1) tornado drill each spring. Each drill will approximate the procedure established below. Both the response to emergencies and the drills will be coordinated by the President or his designee and the Physical Plant Supervisor. Individuals from the managers’ group will be assigned monitor duties to insure that emergency and drill procedures are followed throughout the building.

Procedure:

A. Fire Emergency:
1. The pre-programmed, dedicated fire alarm will sound, strobe lights will flash, and firebreak doors will close. In the case of an actual fire emergency, this will occur automatically. In the case of a drill, this will be triggered manually.
2. All occupants will quickly and calmly evacuate the building immediately through the closest outside entrance.
3. Individuals with mobility impairments will be assisted in moving to safe areas by an individual from their work unit, instructor, or managers’ group member.
4. Individuals who are deaf or hard of hearing and who have not seen the alarm lights will be notified of the evacuation by an individual from their work unit, instructor, or managers’ group member.
5. The instructor/supervisor or last occupant leaving each room will close all doors and windows and shut off all lights.
6. All occupants will move quickly and calmly to a site to the north, west or east of the college. The area to the south of the building should not be occupied to insure adequate room for emergency vehicles.
7. Instructors should remain with their students and insure all students have been evacuated and/or are accounted for presently in the classroom.
8. Day Care will evacuate to the east and congregate as a group in the park area to the east of the driveway.
9. Managers and Supervisors will insure their office area is evacuated prior to leaving the building.
10. No personnel will be allowed to enter the building until the emergency is over.
11. If it is determined that the event is a false alarm, the CAO, the President or the Physical Plant Supervisor will notify authorities by calling the 911 system.
12. In the case of fire drills, the drill will be considered complete when the alarm is discontinued.
13. Occupants will return to their classroom and shop areas.
14. To insure safety for all, instructors and managers will report deficiencies of the drill to the leadership team for corrections in the process.

B. Tornado Emergency
1. In the event of unstable weather conditions favorable for the generation of tornados, the President or CAO will monitor weather emergency stations for notification of tornado warnings. If neither of those individuals is present, the chain of command policy will be followed.
2. Upon notification of a tornado warning, the alert alarm will be triggered. The President, the CIO and
the Physical Plant Supervisor will insure that the alert tones and patterns for a tornado alert are
different and distinct from those for a fire alert.
3. In the case of a drill or an actual tornado alert, a pre-recorded message will be played over the
building public address system. The President and the CIO will script these messages,
4. All building occupants will quickly and calmly move to an interior hallway away from all outside doors
and all windows. Individuals with mobility impairments will be assisted in moving into safe areas.
Individuals who are hearing-impaired will be notified by an individual from their work unit, instructor, or
managers’ group member.
5. Occupants should sit with their backs to a wall and place their heads down between their knees.
6. Day care children will be moved to the inside hallway and ramp west of the inside entrance of the day
care.
7. The emergency status will remain in effect until an "all clear" signal is given by the coordinator.
8. In the case of a drill and to insure the safety of all, instructors and managers will report deficiencies of
the drill to the leadership team for corrections in the process.

C. Alert Systems:
1. Fire: The fire alert system is preprogrammed and dedicated solely for use in warning of fires and fire
emergencies. The panel is located in the Student Affairs area.
2. Tornado: The tornado alert is separate from the fire alert system and accessible via the college phone
system.
3. Training: The President and the CIO will insure that managers are trained in the use and functions of
the two systems.

Bomb Threat
Policy: Pine Technical and Community College will treat any such threat as authentic and will follow the
outlined procedure in the case of a bomb threat. Pine Technical and Community College will report all
such threats to law enforcement authorities and cooperate with the authorities in evacuation and
search procedures.

Procedure: THREAT BY TELEPHONE
1. Upon receiving a bomb threat by telephone, the receptionist will refer to the questions on the bomb
threat checklist located in the receptionist manual and calmly gain the attention of someone to notify a
supervisor. The receptionist using the checklist, will try to gain as much information about the situation
and the caller as possible.
2. Upon gathering as much information as possible, using the checklist as attached, the receptionist
should notify the Vice President of Academic Affairs. In the case the Vice President of Academic Affairs is
not present, the receptionist should refer to the chain of command to find the next in command
(designee). The Vice President or designee should contact the Sheriff’s Department and attempt to
transfer the caller to the dispatcher for a possible trace.
3. The Vice President or designee will evaluate the information and evacuate the building.
4. The college will be evacuated using the fire alarm and voice notification of the threat to ensure that
all persons are moved a safe distance (100 yards recommended) from the building. After moving a safe
distance from the building, all College personnel and students should then congregate at the north end
of the east parking lot and wait for further instructions.
5. Individuals with mobility impairments will be assisted in moving to safe locations by an individual from their work unit, instructor, or Leadership Team member. **Individuals who are hearing impaired and who have not seen the alarm lights will be notified of the evacuation by an individual from their work unit, instructor or Leadership Team member.**

6. The Vice President or designee will make a decision regarding further action.

7. The building will remain evacuated until the Vice President or designee and search officials give an "all clear" signal.

B. VERBAL THREAT
   1. Calm the individual. Contact a supervisor. Follow the above procedures.

C. WRITTEN THREAT
   1. Contact Vice President of Academic Affairs

**Armed Intruder**

**Policy:** The ability to respond appropriately in the event of an emergency event which threatens the safety of students, employees, staff and visitors and/or College operations is critical. To that end, the College will develop a recommended response to an active shooter/armed intruder situation. This response will be communicated to the College community and practiced through an annual active shooter/armed intruder drill. Both the response to emergencies and any drills will be coordinated by the Crisis Team. Individuals from the Crisis Team will be assigned monitor duties to insure that emergency and drill procedures are followed throughout the building.

**Procedure:**

**A. Active Shooter/Armed Intruder**

If any employee or student hears what they believe are gunshots or sees an armed intruder:

If you are involved in a situation where someone has entered the area and started shooting, the following actions are recommended:

- Exit the building immediately
- Notify anyone you may encounter as you leave
- Notify the Police by calling 911
- If exiting the building is not possible, the following actions are recommended:
  - Go to the nearest room or office
  - Close the door, lock if possible, if you cannot, barricade the door with a desk, furniture, or any heavy item
  - Turn off lights
  - Cover the door windows if applicable
  - Spread out and hide
  - Keep quiet and act as if no one is in the room
  - DO NOT answer the door

- As a last resort, be as aggressive as you can: yell, throw things, use improvised weapons to distract and overcome the attacker.
Any employee with the ability to initiate the active shooter lockdown warning using the building paging and StarAlert system should do so.

B. Active Shooter/Armed Intruder Drill

The College will perform one Active Shooter/Armed Intruder drill each academic year. The Crisis Team will be responsible for:

- Scheduling and carrying out the drill
- Coordinating with system office officials and local law enforcement
- Communicating with the campus community prior to and after the scheduled drill
- Providing guidance during the drill (please refer to Appendix A of Policy 109, Fire/Tornado Emergencies & Drills, for assigned monitor areas)
- Monitoring activities and evaluating the effectiveness of the drill
- Communicating the results of the drill to the college community
Appendix 3

Minnesota State Colleges and Universities is committed to eliminating sexual violence in all forms and will take appropriate remedial action against any individual found responsible for acts in violation of this policy. Subpart A. Application of policy to students, employees, and others. This policy applies to all Minnesota State Colleges and Universities students and employees and to others, as appropriate, where incidents of sexual violence on system property have been reported. Reports of sexual violence committed by a student at a location other than on system property are covered by this policy pursuant to the factors listed in Board Policy 3.6, Part 2. Reports of sexual violence committed by a system employee at a location other than system property are covered by this policy.

Reports of sexual violence committed on system property by individuals who are not students or employees are subject to appropriate actions by Minnesota State Colleges and Universities, including, but not limited to, pursuing criminal or civil action against them.

Allegations of discrimination or harassment are governed by Board Policy 1B.1.

Subpart B. College and university policies. Each Minnesota State Colleges and Universities college and university shall adopt a clear, understandable written policy on sexual violence that applies to its campus community, including, but not limited to, its students and employees. The policy content and implementation shall be consistent with the standards in this Policy and Procedure 1B.3.1.

Part 2. Definitions.

The following definitions apply to this Policy and Procedure 1B.3.1.
Subpart A. Sexual violence. Sexual violence includes a continuum of conduct that includes sexual assault, non-forcible sex acts, dating and relationship violence, stalking, as well as aiding acts of sexual violence.

Subpart B. Sexual assault. "Sexual assault" means an actual, attempted, or threatened sexual act with another person without that a person's consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under Minnesota State Colleges and Universities student conduct codes and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as "date rape" or "acquaintance rape." This definition also includes the coercing, forcing, or attempting to coerce or force sexual intercourse or a sexual act on another.

2. Involvement in any sexual act when the victim is unable to give consent.

3. Intentional and unwelcome touching, or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast).

4. Offensive sexual behavior that is directed at another such as indecent exposure or voyeurism.

Subpart C. Dating and relationship violence. Dating and relationship violence includes physical harm or abuse, and threats of physical harm or abuse, arising out of a personal intimate relationship. This violence also may be called domestic abuse or spousal/partner abuse and may be subject to criminal prosecution under Minnesota state law.

Subpart D. Stalking. Stalking is conduct directed at a specific person that is unwanted, unwelcome, or unreciprocated and that would cause a reasonable person to fear for her or his safety or the safety of others or to suffer substantial emotional distress.

Subpart E. Consent. Consent is informed, freely given and mutually understood. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. Silence does not necessarily constitute consent, and past consent of sexual activities does not imply ongoing future consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

Subpart F. Non-forcible sex acts. Non-forcible acts include unlawful sexual acts where consent is not relevant, such as sexual contact with an individual under the statutory age of consent, as defined by Minnesota law, or between persons who are related to each other within degrees wherein marriage is prohibited by law.
Subpart G. System property. "System property" means the facilities and land owned, leased, or under the primary control of Minnesota State Colleges and Universities, its Board of Trustees, system office, colleges and universities.

Subpart H. Employee. "Employee" means any individual employed by Minnesota State Colleges and Universities, its colleges and universities, and system office, including student workers.

Subpart I. Student. The term "student" includes all persons who:

1. Are enrolled in one or more courses, either credit or non-credit, through a college or university;
2. Withdraw, transfer or graduate, after an alleged violation of the student conduct code;
3. Are not officially enrolled for a particular term but who have a continuing relationship with the college or university; or
4. Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
5. Are not college or university employees and are not enrolled in the institution but live in a college or university residence hall.

MnSCU Policy 1B.3.1 Sexual Violence Procedure

Part 1. Procedure objective. This procedure is designed to further implement Minnesota State Colleges and Universities Board Policy 1B.3 prohibiting sexual violence. This procedure provides a process through which individuals alleging sexual violence may pursue a complaint.

This procedure is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation and reprisal.

Part 2. Definitions.

Subpart A. Policy definitions. The definitions in Policy 1B.3 also apply to this procedure.

Subpart B. Campus security authority. Campus security authority includes the following categories of individuals at a college or university:

1. A college or university security department;
2. Other individuals who have campus security responsibilities in addition to a college or university security department;
3. Any individual or organization identified in a college or university security policy as an individual or organization to which students and employees should report criminal offenses;
4. An official of a college or university who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings; advisors to recognized student organizations, and athletic coaches. Professional counselors, whose official

Subpart A. Prompt reporting encouraged. Complainants of sexual violence may report incidents at any time, but are strongly encouraged to make reports promptly in order to best preserve evidence for a potential legal or disciplinary proceeding.

Complainants are strongly encouraged to report incidents of sexual violence to law enforcement for the location where the incident occurred. Complainants are also encouraged to contact the local victim/survivor services office, counseling and health care providers, campus Title IX coordinators or Minnesota State Colleges and Universities campus security authorities for appropriate action.

Subpart B. Assistance in reporting. When informed of an alleged incident of sexual violence, all Minnesota State Colleges and Universities students and employees are urged to encourage and assist complainants, as needed, to report the incident to local law enforcement, local victim/survivor services, campus Title IX coordinators or campus security authorities.

Minnesota State Colleges and Universities campus security authorities, when informed of an alleged incident of sexual violence, shall promptly assist the complainant, as requested, including providing guidance in filing complaints with outside agencies including law enforcement; obtaining appropriate assistance from victim/survivor services or medical treatment professionals; and filing a complaint with campus officials responsible for enforcing the student conduct code or employee conduct standards.

When appropriate, Minnesota State Colleges and Universities may pursue legal action against a respondent, including, but not limited to, trespass or restraining orders, in addition to disciplinary action under the applicable student or employee conduct standard. A college or university may take actions it deems necessary or appropriate in response to all protection, restraining or no contact orders.

Subpart A. Confidential reports. Because of laws concerning government data contained in Minnesota Statutes §13, the Minnesota Government Data Practices Act, colleges and universities cannot guarantee confidentiality to those who report incidents of sexual violence except where those reports are privileged communications with licensed health care professionals. Some off-campus reports also may be legally privileged by law, such as reports to clergy, private legal counsel, or health care professionals.
Subpart B. Reports to campus security authorities. Complainants of sexual violence may contact any campus security authority for appropriate assistance or to report incidents. Absolute confidentiality of reports made to campus security authorities cannot be promised. However, campus security authorities shall not disclose personally identifiable information about a complainant of sexual violence without the complainant’s consent except as may be required or permitted by law. There may be instances in which Minnesota State Colleges and Universities determines it needs to act regardless of whether the parties have reached a personal resolution or if the complainant requests that no action be taken. In such instances, Minnesota State Colleges and Universities will investigate and take appropriate action, taking care to protect the identity of the complainant and any other reporter in accordance with this procedure.

Subpart C. Required Reports. Any campus security authority or any college or university employee with supervisory or student-advising responsibility who has been informed of an alleged incident of sexual violence must follow college or university procedures for making a report for the annual crime statistics report. In addition, the campus security authority shall report to other school officials, as appropriate, such as the campus affirmative action office, the campus office responsible for administering the student conduct code, and/or the designated Title IX compliance coordinator, in order to initiate any applicable investigative or other resolution procedures.

Campus security authorities may be obligated to report to law enforcement the fact that a sexual assault has occurred, but the name or other personally identifiable information about the complainant will be provided only with the consent of the complainant, except as may be required or permitted by law.

Part 5. Policy notices.

Subpart A. Distribution of policy to students. Each college or university shall, at a minimum, at the time of registration make available to each student information about its sexual violence policy and procedure, and shall additionally post a copy of its policy and procedure at appropriate locations on campus at all times. A college or university may distribute its policy and procedure by posting on an Internet or Intranet Web site, provided all students are directly notified of how to access the policy by an exact address, and that they may request a paper copy.

Subpart B. Distribution of policy to employees. All colleges, universities and the system office shall make available to all employees a copy of its sexual violence policy and procedure. Distribution may be accomplished by posting on an Internet or Intranet Web site, provided all employees are directly notified of the exact address of the policy and procedure and that they may receive a paper copy upon request.

Subpart C. Required Notice. Each college or university shall have a sexual violence policy, which shall include the notice provisions in this part.

1. Notice of complainant options. Following a report of sexual violence the complainant shall be promptly notified of:
a. Where and how to obtain immediate medical assistance; complainants should be informed that timely reporting and a medical examination within 72 hours are critical in preserving evidence of sexual assault and proving a criminal or civil case against a perpetrator. Complainants should be told, however, that they may report incidents of sexual violence at any time.
b. Where and how to report incidents of sexual violence to local law enforcement officials, and/or appropriate Minnesota State Colleges and Universities system contacts for employees, students and others. Such contacts should be identified by name, location and phone number for 24-hour availability, as applicable.
c. Resources for where and how complainants may obtain on- or off-campus counseling, mental health or other support services.

2. **Notice of complainant rights.** Complainants shall be notified of the following:
   a. Their right to file criminal charges with local law enforcement officials in sexual assault cases;
   b. Rights under the crime victims bill of rights, Minnesota Statutes §611A.01 - 611A.06, including the right to assistance from the Crime Victims Reparations Board and the commissioner of public safety;
   c. Availability of prompt assistance from campus officials, upon request, in notifying the appropriate campus investigating authorities and law enforcement officials, and, at the direction of law enforcement authorities, assistance in obtaining, securing and maintaining evidence in connection with a sexual violence incident;
   d. Assistance available from campus authorities in preserving for a sexual violence complainant materials relating to a campus disciplinary proceeding;
   e. That complaints of incidents of sexual violence made to campus security authorities shall be promptly and appropriately investigated and resolved;
   f. That, at a sexual assault complainant's request, the college, university or system office may take action to prevent unwanted contact with the alleged assailant, including, but not limited to, transfer of the complainant and/or the respondent to alternative classes, or a work site or to alternative college-owned housing, if such alternatives are available and feasible.

**Part 6. Investigation and disciplinary procedures.**

**Subpart A. Immediate action.** A college or university may, at any time during the report/complaint process, reassign or place on administrative leave an employee alleged to have violated this policy, in accordance with the procedures in System Procedure 1B.1.1. Such action must be consistent with the applicable collective bargaining agreement or personnel plan.

A college or university may summarily suspend or take other temporary measures against a student alleged to have committed a violation of this policy, in accordance with System Procedure 1B.1.1 or Board Policy 3.6.
Subpart B. General Principles. Colleges, universities and the system office shall use system procedure 1B.1.1 Report/Complaint of Discrimination/Harassment Investigations and Resolution when investigating complaints of sexual violence. Procedures used in response to a complaint of sexual violence should avoid requiring complainants to follow any plan of action, to prevent the possibility of re-victimization.

College and university investigation and disciplinary procedures concerning allegations of sexual violence against employees or students shall:

1. Be respectful of the needs and rights of individuals involved;
2. Proceed as promptly as possible;
3. Permit a student complainant and a student respondent to have the same opportunity to have an appropriate support person or advisor present at any interview or hearing, in a manner consistent with the governing procedures and applicable data practices law;
4. Employees shall have the right to representation consistent with the appropriate collective bargaining agreement or personnel plan;
5. Be conducted in accordance with applicable due process standards and privacy laws;
6. Simultaneously inform both the complainant and respondent of the outcome in a timely manner, as permitted by applicable privacy law.
7. Be based on a preponderance of evidence standard, meaning that it is more likely than not that the policy or code has been violated.

The past sexual history of the complainant and respondent shall be deemed irrelevant except as that history may directly relate to the incident being considered.

A respondent's use of any drug, including alcohol, judged to be related to an offense may be considered to be an exacerbating rather than mitigating circumstance.

Subpart C. Relationship to parallel proceedings. In general, Minnesota State Colleges and Universities investigation and disciplinary procedures for allegations of sexual violence will proceed independent of any action taken in criminal or civil courts. A college or university need not, and in most cases should not, delay its proceedings while a parallel legal action is on-going. If a college or university is aware of a criminal proceeding involving the alleged incident, they may contact the prosecuting authority to coordinate when feasible. Criminal or civil court proceedings are not a substitute for Minnesota State Colleges and Universities procedures.

Subpart D. False statements prohibited. Minnesota State Colleges and Universities takes allegations of sexual violence very seriously and recognizes the consequences such allegations may have on a respondent as well as the complainant. Any individual who knowingly provides false information
regarding the filing of a complaint or report of sexual violence or during the investigation of such a complaint or report may be subject to discipline or under certain circumstances, legal action. Complaints of conduct that are found not to violate policy are not assumed to be false.

**Subpart E. Withdrawn complaint.** If a complainant no longer desires to pursue a complaint through the college or university's proceeding, the college or university reserves the right to investigate and resolve the complaint as it deems appropriate.

**Subpart F. Minnesota State Colleges and Universities discretion to pursue certain allegations.** Minnesota State Colleges and Universities reserves discretion whether to pursue alleged violations of policy under appropriate circumstances, including, but not limited to, a determination that an effective investigation is not feasible because of the passage of time, or because the respondent is no longer a student or employee of the college or university.

**Subpart G. Minnesota State Colleges and Universities discretion to deal with policy violations disclosed in investigation.** Minnesota State Colleges and Universities reserves the right to determine whether to pursue violations of policy by students or employees other than the respondent, including a complainant or witness, that come to light during the investigation of an incident of sexual violence. In order to encourage reporting of sexual violence, under appropriate circumstances college or university administrators may choose to deal with violations of Minnesota State Colleges and Universities policy in a manner other than disciplinary action.

**Subpart H. Sanctions.** Sanctions that may be imposed if a finding is made that sexual violence has occurred include, but are not limited to, suspension, expulsion of students or termination from employment. The appropriate sanction will be determined on a case-by-case basis taking into account the severity of the conduct, the student's or employee's previous disciplinary history, and other factors as appropriate.

**Subpart I. Retaliation prohibited.** Actions by a student or employee intended as retaliation, reprisal or intimidation against an individual for making a complaint or participating in any way in a report or investigation under this policy are prohibited and are subject to appropriate disciplinary action.

**Part 7. Sexual violence prevention and education.**

**Subpart A. Campus-wide training.** Colleges, universities, and the system office must:

1. Include in their sexual violence policy a description of educational programs that they offer to students and employees to promote the awareness of sexual violence offenses, including sexual violence prevention measures and procedures for responding to incidents.

2. Provide training on awareness of sexual violence prevention measures and procedures for responding to incidents of sexual violence. At a minimum, all incoming students and all new employees must be provided this training.

3. Education shall emphasize the importance of preserving evidence for proof of a criminal offense, safe and positive options for bystander intervention, and information on risk reduction to recognize warning signs of abusive behavior and risk associated with the perpetration of sexual violence.
Subpart B. Other training and education. Colleges and universities and affiliated student organizations are encouraged to develop educational programs, brochures, posters and other means of information to decrease the incidence of sexual violence and advise individuals of the legal and other options available if they are the complainants of an incident or they learn of such an incident.

Subpart C. Training for individuals charged with decision making authority. Prior to serving as either an investigator or a decision maker for complaints under this procedure, administrators must complete investigator or decision maker training provided by the system office. Investigators/decision makers and anyone else involved in the adjudication process must receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Part 8. Maintenance of report/complaint procedure documentation. Data that is collected, created, received, maintained or disseminated about incidents of sexual violence will be handled in accordance with the privacy requirements of the Minnesota Statutes §13 (Minnesota Government Data Practices Act), and other applicable laws.

Information on reports of incidents of sexual violence that are made to Campus Security Authorities shall be documented in accordance with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, codified at 20 United States Code section 1092 (f). Such information will be used to report campus crime statistics on college and university campuses as required by that Act.

During and upon the completion of the complaint process, the complaint file shall be maintained in a secure location. Access to complaint file information shall be in accordance with the applicable collective bargaining agreement or personnel plan, the Minnesota Government Data Practices Act, the Family Educational Rights and Privacy Act and other applicable law and policy.

As required by law, Minnesota State Colleges and Universities further defines sexual harassment as a form of sexual discrimination which is prohibited by state and federal law. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and other verbal or physical conduct of a sexual nature when:

1. 1. made a complaint under this policy;

In such situations, the system office and colleges and universities shall comply with the reporting requirements in Minnesota Statutes Section 626.556 (reporting of maltreatment of minors) and Minnesota Statutes Section 626.557 (Vulnerable Adult Protection Act). In the event a relationship already exists, each college and university and system office shall develop a procedure to reassign evaluative authority as may be possible to avoid violations of this policy. This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a family or household member where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

**Part 4. Retaliation.** Retaliation as defined in this policy is prohibited in the system office, colleges and universities. Any individual subject to this policy who intentionally engages in retaliation shall be subject to disciplinary or other corrective action as appropriate.

FILING A COMPLAINT

Any member of the college community (students, faculty and staff) may file a complaint alleging a student or organization has violated the student code of conduct. The steps to file a complaint are as follows:

1. The complaint will be filed in writing with the Director of Student Affairs (forms are available for this purpose and assistance can be provided in outlining the complaint if needed).
2. The complaint will be signed by the person entering the complaint. Anonymous citations will not be accepted.
3. **ANY STUDENT CITED FOR VIOLATION OF THE CODE OF CONDUCT WILL BE ASSUMED INNOCENT UNTIL IT IS DETERMINED OTHERWISE.**

**DISCIPLINARY ACTIONS**

**Informal Action**
Following the filing of an accusation against a student, the Director of Student Affairs or designee will conduct an investigation of the charges. If the accusation seems unwarranted, the Dean may dismiss the complaint and discontinue the process. If there is sufficient evidence to support the accusation, the Dean shall offer the accused student an opportunity to resolve the violation at an informal meeting. Prior to this meeting, the student shall be given oral or written notice of the specific charges against him/her and of the evidence available to support the charge. If a mutually acceptable resolution cannot be reached during the informal meeting, including any applicable sanctions, the case shall be referred to a Judicial Committee for a formal hearing and adjudication process.

**Summary Suspension**
The College reserves the right to suspend and remove from campus without hearing any student that poses an immediate threat to the health or safety of persons on campus. Before implementing the summary suspension, the accused student shall be given oral or written notice of the intention to impose the summary suspension and shall be given an opportunity to present oral or written arguments against the imposition of the suspension. Notice of the intention to impose the summary suspension shall be provided in writing to the student. After the student has been summarily suspended, a properly constituted hearing on the matter will take place within nine (9) working days of the suspension. During the summary suspension, the student may not enter the campus without obtaining prior permission from the Dean.

**Judicial Committee Procedure**
Judicial Committee: The Judicial Committee is a standing committee consisting of faculty members, students, and a college administrator. Candidates are recommended each year and approved by both the College Leadership Team and Student Senate. The Director of Student Affairs is a non-voting member. The Committee elects, by consensus, one member to chair each hearing. Additional persons may be asked to attend hearings to provide expert testimony or other information of benefit to the process.

The Director of Student Affairs will prepare and send a written notice to the accused no less than five (5) working days prior to the date set for the hearing. The notice will be hand delivered directly to the accused or be sent by certified mail to the last known address listed with the Records Office and will include:
1. Statement of the date, time, location, and nature of hearing.
2. Written statement specifying the Student Code of Conduct violation.
3. Notice of student’s right to have an advocate at the hearing.

Law Enforcement Agency Information Regarding Registered Sex Offenders

All institutions of higher education are required to issue a statement advising the campus community where law enforcement agency information provided by a state regarding registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice to each institution of higher education in that state which the person is employed, carries a vocation, or is a student.

- The MN Bureau of Criminal Apprehension administers a predatory offender registration and tracking program. Information regarding this program can be found at: [https://dps.mn.gov/divisions/bca/bca-divisions/investigations/Pages/predatory-offender-registrations.aspx](https://dps.mn.gov/divisions/bca/bca-divisions/investigations/Pages/predatory-offender-registrations.aspx)

Drug Free Schools and Communities Act Biennial Review – 2018
2017 and 2018

Introduction

The Drug-Free Schools and Communities Act of 1989 Amendments requires institutions of higher education to design and implement alcohol and illicit drug programs on their campuses. As a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education has to certify that it has adopted and implemented a program to prevent "the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees" on campus property or as part of any campus activity.

This legislation directed Colleges to:

1. To develop a written policy on alcohol and other drugs
2. To develop a process that ensures policy distribution to all students, staff, and faculty
3. To enumerate federal, state, or local sanctions for unlawful possession or distribution of illicit drugs and alcohol
4. To describe health risks associated with alcohol abuse or illicit drug use
5. To describe College drug and alcohol programs available for students and employees
6. To specify disciplinary sanctions imposed on students and employees for policy violations
7. To conduct biennial reviews to assess the effectiveness of its alcohol and drug programs.

The law further requires an institution of higher education to review its program to:

1. To determine its effectiveness and implement changes if they are needed, and
2. To ensure that the sanctions developed are consistently enforced

In compliance with federal legislation, the Drug Free Schools and Communities Committee of Pine Technical and Community College has prepared this biennial review.

Biennial Review Process

A committee was convened and oriented to the requirements of the Drug Free Schools Act and the completion of a Biennial Review to comply with the act.

Members represented: Vice President of Academic and Student Affairs, Director of Student Affairs, Chief Human Resources Officer, Counselor, Dean of Health Sciences, Director of Student Success, Student Senate Advisor and Student Success Team Members.
The committee reviewed components essential to the College’s drug and alcohol program: policy statements, publications, services, data collection, campus life, and data on student and employee conduct.

**General Conclusion**

Pine Technical and Community College (PTCC) appears to be in full compliance with federal legislation. The College has developed and maintains a drug prevention policy.

In the process of reviewing PTCC’s Drug and Alcohol policy 120, a review was completed of MinnState Policy 5.18 to check for consistency, redundancy, and whether or not the local policy 120 could be retired. MinnState Policy 5.18 is broad in nature and doesn’t include all of the elements required by federal regulations. As a result, it was determined that PTCC does need to maintain a local policy in addition to MinnState’s Policy 5.18.

After review of our local policy, the committee determined that the following items needed to be updated; legal penalties, campus resources, off-campus resources, student support services, and statistical information.

The committee reviewed the distribution of the drug-free policy and confirmed the policy is sent to all staff, faculty and students annually. In addition, the College provides services and activities to promote a strong drug-free campus environment and tracks any drug and alcohol related offenses, sanctions, and referrals.

Alcohol use and abuse can lead to many health consequences which include, but are not limited to: cardiovascular disease, insomnia, compromised immune system, memory loss, diabetes, accidents/trauma/injury, violence, dementia, organ failure (liver cirrhosis), financial difficulties, and depression.

Drinking problems can negatively impact mental health as “alcohol abuse and alcoholism can also worsen existing conditions such as depression or anxiety”. Furthermore, alcohol problems often extend beyond the drinker to his/her spouse and children as well.

**Controlled Substance Use and Abuse:**
The long-term effects of marijuana use and abuse are not as well researched, however, can have negative health consequences as well. Marijuana use and abuse can lead to pulmonary issues/disease, cancer, psychosocial impacts, poor motivation, reproductive health issues, and can lead to other addictions and substance abuse. Being under the influence of other illicit drugs can have similar negative consequences.
