

Minnesota State **Practical** Nursing Program Performance Standards

The system of Minnesota State Colleges provides the following example of performance standards, based on the Minnesota Nurse Practice Act, that practical nursing students are required to meet and maintain to provide safe and effective care, to be successful and progress in nursing programs. The examples listed are for illustrative purposes only and are not intended to be a complete list of all tasks in a nursing program.

Students with documented disabilities, or who believe they may have a protected disability, can request accommodation, which may assist with meeting the standards for nursing programs. For assistance, contact PTCC's Student Success Coordinator located in the campus LRTC/library.
