COMMERCIAL SERVICE TECHNICIAN

Our Pine City, MN Culligan dealership is looking for a customer service orientated individual with a strong mechanical aptitude to join our team as a Commercial Service Technician. Technical experience in a similar industry is a must for this role!

In this position, you will be servicing, installing and repairing commercial water treatment equipment. You will be moving all day and expected to use your above average problem solving skills to troubleshoot technical issues that arise throughout your day. This position also has the career opportunity to grow into management in the near future.

Culligan of Billings is a successful dealership within the Packard Culligan franchise group, which has been family-owned and operated for nearly 80 years, headquartered in Minnetonka, MN. Culligan is the industry leader in commercial and residential water treatment and filtration systems, providing the best drinking water solutions to local customers. Our Pine City team operates with values based on integrity, safety, teamwork, and continuous improvement; dedicated to exceeding customer expectations.
